1<sup>st</sup> August 2017

Dear Ashwin,

One day we will beat cancer. Your incredible donation of £10,000 will help us make that day sooner. It was fantastic to hear that you raised this at your Golf Day, it sounds like it was a great success! Please pass our warmest thanks onto everyone who supported the event and made this generous donation possible. We really cannot thank you enough for all your wonderful fundraising and hard work. We promise to make it count.

Your donation will make a big difference to our work. For example, your £10,000 could kit out 10 PhD students with everything they need to get started in their fight against cancer, helping us train the researchers of tomorrow who could make the breakthroughs of the future. Alternatively, it could cover the cost of running one of our lung cancer clinical trials for a whole year. This trial is trying to find out how radiotherapy can pack more of a punch to cancer cells and try to stop the disease coming back after surgery, improving treatment for patients with lung cancer. So your donation really is helping to beat cancer sooner!

Our research, entirely funded by people like you, will ensure that more people survive cancer; which is why we are so grateful for your support.

We'd like to keep you updated about the progress we are making and the ways you can support our work in the future. If you would prefer not to hear from us, and haven't told us this already, you can contact us on 0300 123 0887 or at [supporter.services@cancer.org.uk](mailto:supporter.services@cancer.org.uk) to let us know. For any other information about Cancer Research UK you can visit our website at [www.cruk.org](http://www.cruk.org).

One day we will beat cancer. Thank you for helping us make it sooner.

Yours sincerely,

Victoria Martin  
Service Delivery Manager – Supporter Engagement
